**RABIES/DISTEMPER/BORDETELLA
SHOTS CLINIC**

Warfel's farm is hosting the 1st Annual Shots Clinic with Central Pennsylvania Animal Alliance (CPAA) and Sunbury Animal Hospital for a local Rabies, Distemper, and Bordetella Shots Clinic, for dogs and cats in the Halifax area. Breeders will not be serviced at this event. CPAA encourages all pet owners to take your pet for a yearly check-up to a veterinarian. This clinic should not replace annual examinations with a veterinarian either.

Dogs must be on a leash and cats in a secure carrier. Bring prior up to date rabies paperwork to receive the 3 year rabies vaccine.
