Municipalities in Northern Dauphin County to Hold Hearing and Joint Meetings June 16 as Next Step to Form Emergency Services Authority

Halifax, PA (May 22, 2026) – Municipalities in northern Dauphin County will hold a hearing and joint special meetings at 6:30 pm on Tuesday, June 16 at Upper Dauphin Area Middle School at 5668 State Route 209 in Lykens as a next step toward forming a proposed regional municipal emergency services authority, a cooperative effort to build a better EMS system for residents, businesses and visitors.

A steering committee of Upper Dauphin Council of Government members began studying the EMS system in the region in 2024 and developed a framework for the proposed countywide municipal emergency services authority earlier this year.

The hearing and joint special meetings on June 16 will begin with a presentation about the state of EMS in the region and the proposed authority, followed by a public comment period. Each municipality's elected officials will then deliberate and vote on an ordinance to delegate the administration of emergency medical services to the proposed authority on a mutually agreeable date.

The aim of the proposed authority is to ensure that residents, businesses and visitors in northern Dauphin County have access to high-quality emergency services on a sustainable basis.

"EMS agencies serving northern Dauphin County are experiencing significant challenges including increasing call volumes, increasing costs to operate, declining voluntary subscriptions, and insurance reimbursements that are inadequate to cover the cost of service," said Christopher Dietz, Project Manager of the Upper Dauphin Council of Governments EMS Stakeholder Committee. "Additionally, the traditional volunteer EMS staffing model is no longer viable. In short, our local emergency services system is at serious risk, which endangers lives."

Ninety percent of EMS providers in the region report that financial stability is needed to continue to maintain services, according to a survey of EMS providers and municipal leaders commissioned by the Upper Dauphin Council of Governments in 2024. Eighty percent of EMS providers in the region report that a model emphasizing professional instead of volunteer staffing is needed to maintain services.

"Unless our region addresses this issue together, local EMS may not be available when you need it or you may experience a long life-threatening response time from an out-of-area EMS service," Dietz said.

The regional emergency services authority would be a municipal-led public entity that provides management, oversight and funding for the regional EMS system. As a municipal government organization, the authority's board meetings would be public meetings, providing transparency for planning, financial management and decision-making.

EXHIBIT “A”

ARTICLES OF INCORPORATION

TO THE SECRETARY OF THE COMMONWEALTH OF PENNSYLVANIA:

In compliance with requirements of the Municipality Authorities Act, 53 Pa.C.S. Ch. 56, as amended and supplemented (the “Authorities Act”), and pursuant to ordinances duly enacted by the Boroughs of Elizabethville, Gratz, Millersburg, and Pillow, and the Townships of Halifax, Jefferson, Mifflin, Reed, Upper Paxton, Wayne, and Williams, each in Dauphin County (each, an “Incorporating Municipality,” and collectively, the “Incorporating Municipalities”), expressing the intention and desire of the Incorporating Municipalities to organize an Authority jointly under the Authorities Act, said municipalities certify:

1. Authority Name

The name of the Authority shall be the “_____”.

2. Formation and Purpose

The Authority is formed under the Municipality Authorities Act, 53 Pa.C.S. Ch. 56, as amended and supplemented, for the purpose of providing administrative services pursuant to Sections 5602 and 5607(g) of the Act, as a delegation of each of the Member Municipalities’ (hereinafter defined) statutory responsibility to ensure that emergency medical services are being provided within those municipalities.

3. Powers and Services

As more fully set forth below and in accordance with the Authorities Act, the Authority shall be permitted to administer emergency medical services, or contract with one or more third-party entities to provide the same, including all such services necessary to maintain licensure as an EMS agency through the Pennsylvania Department of Health, and any closely, reasonably related services thereto (the “Services”). The Authority may exercise all powers as described in Section 5607(d) of the Act necessary or convenient for the carrying out of its purpose.

4. Service Districts

Each of the Incorporating Municipalities, or any municipality that later joins the Authority (collectively, the “Member Municipalities”), shall designate all or a portion of such municipality as a district to be served by the Authority (each, a “Service District”).

5. Fee Services Hearing

Pursuant to the Authorities Act, in order to provide Services to property owners within a Service District that are paid directly to the Authority by property owners (“Fee Services”), the

Authority shall first provide written notice of the proposed Services to each property owner in a Service District at least 30 days prior to a properly advertised hearing (a “Fee Services Hearing”).

6. Owner Objection Process

Pursuant to the Authorities Act, Fee Services may not be provided to and charges (“Charges”) may not be assessed directly to property owners within a Service District if written objections representing the ownership of one-third of the benefited properties in the Service District, or property owners of the proposed district whose property valuation as assessed for taxable purposes amount to more than one-third of the total valuation of the Service District, are received by a Member Municipality within 45 days after a Fee Services Hearing (the “Objection Period”) is conducted where the plan of the Authority to impose Charges is presented (“Fee Services Plan”). The foregoing is hereinafter referred to as the “Owner Objection Process,” and owner objection to a Fee Services Plan is hereinafter referred to as “Owner Objection.”

7. Municipal Objection Process

Each Incorporating Municipality shall retain the right which exists under the Authorities Act to approve the initial Fee Services Plan. The Authority shall not be permitted to provide Fee Services or assess Charges in a Service District if within 45 days after the initial Fee Services Hearing is conducted, a majority vote of the governing body of an Incorporating Municipality disapproves of the initial Fee Services Plan as presented at the initial Fee Services Hearing, even if the delivery of Fee Services would effectively have been approved by property owners following the Owner Objection Process. The foregoing is hereinafter referred to as the “Municipal Objection Process,” and a municipal disapproval of a Fee Services Plan is hereinafter referred to as a “Municipal Objection.” Disapproval of the initial Fee Services Plan by either Owner Objection or Municipal Objection within an Incorporating Municipality’s Service District shall not preclude Fee Services being provided in the Service District of another Incorporating Municipality that has not received Owner Objection or Municipal Objection.

8. Municipal Withdrawal

If either Owner Objection or Municipal Objection occurs within a Service District, the Incorporating Municipality of such Service District shall be required to withdraw from the Authority (“Municipal Withdrawal”), with withdrawal to be initiated by resolution or ordinance of such Incorporating Municipality at its earliest regular or special meeting. Following receipt by the Authority of such adopted resolution or ordinance, the Authority shall move expeditiously to complete the withdrawal process pursuant to the Authorities Act. Such withdrawal would reduce the size of the Board of the Authority by one member.

9. Financial/Legal Obligations

The Authority shall not be permitted to incur any financial or legal obligation (an “Obligation”) prior to the later of concluding the Objection Period or Municipal Withdrawal following the initial Fee Services Hearing. Specifically excluded from the definition of “Obligation” herein is any agreement to provide legal, consulting, accounting, or billing services to or for the Authority. Further, no Member Municipality shall be permitted to withdraw from the

Authority after an Obligation has been incurred by the Authority unless the Authority and a Member Municipality desiring to withdraw reach agreement on such Member Municipality's satisfaction of its allocable portion of all outstanding Obligations of the Authority. The parameters for reaching such agreement, including the method for determining the allocation of outstanding Obligations of the Authority for which a Member Municipality desiring to withdraw is responsible, shall be more expressly provided in the Bylaws established by the Authority. In any event, the Authority shall not be required to consent to the withdrawal of a Member Municipality while any Obligations remain outstanding, a right reserved to the Authority under Section 5604(c) of the Authorities Act.

10. Contract Services for Non-Member Municipalities

Any municipality that is not a Member Municipality (a "Non-Member Municipality"), including any Incorporating Municipality that subsequently withdraws from the Authority, may receive Services from the Authority by contract ("Contract Services"), with compensation to the Authority paid by revenues generated by the Non-Member Municipality. So long as the cost of the Contract Services provided within a Non-Member Municipality are not billed to property owners by the Authority or by such Non-Member Municipality, the Authority shall not be required to conduct a hearing under Section 5607(d) of the Authorities Act or be subject to an Owner Objection Process.

11. Charges and CPI-U

By a simple majority vote of the Board of the Authority, the Authority shall be permitted to increase Charges in a given year by up to the effective Consumer Price Index for All Urban Consumers as published by the United States Bureau of Labor Statistics ("CPI-U") in the month prior to such rate increase, but in no event by more than 5.0% if CPI-U is greater than 5.0% at the time of the proposed increase in Charges (collectively, the "Index").

12. Increases Above CPI-U / Reduction in Services

Either of the following shall first require a two-thirds majority vote of the Board of the Authority to be approved, and if approved, shall require a new Fee Services Hearing (a "Subsequent Fee Services Hearing"): (a) proposed increase in Charges in any Service District that is above the Index, and (b) a material diminution in the quality or scope of Services then being received by property owners in any Service District. Further, the Owner Objection Process and the Municipal Objection Process (collectively, the "Objection Processes") as described in Sections 6 and 7 herein, respectively, shall apply to subsections (a) and (b) of this Section 12. Any Objection Processes applicable to a Subsequent Fee Services Hearing shall be limited to the proposed increase in Charges or diminution in Services presented at such Subsequent Fee Services Hearing, and not to the Fee Services and Charges in effect at the time of such Subsequent Fee Services Hearing. However, disapproval of a Subsequent Fee Services Plan by either Owner Objection or Municipal Objection within a Member Municipality's Service District shall preclude the proposed increase in Charges or diminution in Services going into effect for any Service District.

13. Adding New Member Municipalities

After the Authority has been incorporated, any municipality that desires to join the Authority shall adopt a resolution or ordinance pursuant to the Act. If such proposed joinder is approved by the Authority, the Authority shall then conduct a properly advertised Fee Services Hearing for the proposed Service District of the joining municipality, based on the Services then being provided within the Service Districts of Member Municipalities. If there is no Owner Objection, the Authority shall proceed to complete the joinder process for the joining municipality to become a Member Municipality. Such joinder would increase the size of the Board of the Authority by one member. There is no Municipal Objection Process for a joining municipality. Charges may not be assessed within such Service District until the joinder is complete with the joining municipality having representation on the Board of the Authority.

14. Amendments for Additional Services

In order to provide services in addition to the Services established herein, the Authority shall be required to amend these Articles of Incorporation pursuant to the Authorities Act.

15. Board Voting

Other than as provided in Section 12. above, actions taken by the Board of the Authority shall be approved by a simple majority vote, which shall be binding on all Service Districts, as applicable.

16. Rules, Regulations, and Procedures

All other rules, regulations, and procedures of the Authority, if not prescribed by the Act or these Articles of Incorporation shall be as established by the Authority pursuant to its Bylaws and any policies created thereby.

17. Board and Committee Compensation

Except as otherwise permitted by the Member Municipalities, no member of the Board or any committee of the Authority shall be compensated in any manner, as a member or as an officer of such Board or committee; provided, however, that a Board or committee member may be reimbursed for the actual out-of-pocket expenses for seminar fees, mileage, lodging, or meals when traveling on business of the Authority beyond 50 miles of the Member Municipality.

18. Other Existing Authorities

No other Authority has been organized, individually or jointly, under the current Authorities Act, or the Act of the General Assembly approved May 2, 1945, P.L. 382, as amended and supplemented, known as the "Municipality Authorities Act of 1945", or of the Act of the General Assembly approved June 28, 1935, P.L. 463, as amended and supplemented, and is in existence in or for the Incorporating Municipalities except the following:
